

# Total combined wire gauge guide

---

There are two legs in every individual cable, a positive leg and a negative leg. The gauges below are for each leg of the given cable. The number gives the total combined wire gauge for each leg.

## **INTERCONNECTS:**

MA1: 24 gauge on each leg

MA2: 24 gauge on each leg

MA3: 22 gauge on each leg

MA4: 22 gauge on each leg

MA5: 20 gauge on each leg

MA6: 19 gauge on each leg

MA7: 19 gauge on each leg

Elite: 16 gauge on each leg

Anniversary: 12 gauge on each leg

## **SPEAKER CABLES:**

SP1: 16 gauge on each leg

SP2: 16 gauge on each leg

SP3: 14 gauge on each leg

SP4: 14 gauge on each leg

SP5: 12 gauge on each leg

SP6: 11 gauge on each leg

SP7: 11 gauge on each leg

Elite: 10 gauge on each leg

Anniversary: 8 gauge on each leg
